

Peter Franken

DRS. AAG

Principal, Consulting Actuary

CURRENT RESPONSIBILITY

Peter is a principal and consulting actuary in the Amsterdam office of Milliman. He and his team are responsible for the non-life and health insurance activities in Benelux.

EXPERIENCE

Peter has more than 15 years consulting experience in the financial industry, as both an actuarial and management consultant.

Peter is specialised in non-life and health insurance covering all areas, including pricing, product development, valuation, capital modelling, Solvency II, and mergers and acquisitions. He has performed a wide range of actuarial consulting assignments for a variety of clients, mainly European insurers. Although Peter's specialization is in non-life, he is experienced in managing consulting business covering both life and non-life.

AFFILIATIONS

Peter is an active member of the Actuarial Association Europe and the Dutch Actuarial Association. Over the years, he has participated in several working groups and commissions, amongst others related to the development of Solvency II. Currently Peter is a member of the Insurance Committee of the AAE.
